Re: Arizona Water Company Rate Increase

W-01445A-02-0619

Dear Commissioners:

On behalf of the Town of Superior and Town Council, I am again writing to you regarding the proposed rate increase sought by the Arizona Water Company in our community. As stated before, in my letter dated May 1, 2003, the Town does not support this or any other rate increase to our water utility.

The economic condition of our community is still depressed and very much strained. However, we are trying to rebound by implementing programs and efforts that will improve our financial stability. Any additional economic burden at this time, such as this increase, would negatively impact those efforts.

It is for this reason that I respectfully appeal to the Commission, that you do not approve this, or any other rate increase within the Town of Superior, for Arizona Water Company. If you have any questions, please contact me at (520) 689-2265 or at the above number.

Sincerely,

Michael O. Hing
Mayor
